(#) Country specific functions. Please consult the SAP Business One Online Help for more information.

(*) Partial access. This user cannot create all document types from this wizard. B1 starter has full access to 'Purchase Order' only. Limited CRM has full access to 'Purchase Quotation' and 'Purchase Order' only. No access to 'Production order'.

This license comparison chart is provided as a high level document to provide guidance when selecting user types. Because of this, no rights can be derived from this chart on individual screens or menu entries. At all times, the software will be leading and should be checked to get detailed information about the license implementation.
